Remarks

Everything old is new again! The Fairways has always been a popular choice for buyers. When properties like 5640 Merion come on the market it's easy to see why. Nearly every inch of this lovely home has been transformed. Consider: completely renovated kitchen and baths including flooring, new doors and hardware throughout the home, new windows in the kitchen, great room and primary bedroom, and a new patio door. The enclosed patio, with recently replaced cedar fence, has been covered with a custom built IPE (exotic hardwood) deck. Combine these features with an inviting great room with 10' ceiling, a wonderful family room with fireplace, and the well maintained fairways community with pool, clubhouse, and pickleball/tennis courts, and you are almost home. Call today for your personal showing.
